

KRT-WH 4X TTL 33

KART WITH WHEELS

DESCRIPTION

The heavy duty RCF TTL33-A Kart can be used to easily transport up to 4 TTL33-A cabinets. The cabinets and Kart are fully compatible and it is possible to easily transport TTL33-A cabinets in straight or splayed configurations. It is possible to transport 4 TTL33-A modules with the fly-bar connected, making sure that the total system centre of gravity is properly in centre of the kart.

FEATURES

- TT+ approved original accessory
- Strong construction
- Transport of up to 4 TTL33-A modules
- Safe lock of the modules on the bottom
- Equipped with 4 high quality wheels with brakes
- Painted with black, scratch resistant, paint
