

# GTS 29

HIGH-PERFORMANCE FLYABLE SUBWOOFER

**Description** The GTS 29 is a dual 19" subwoofer module for the low-frequency extension in high-demanding touring and install applications, indoors and outdoors. Equipped with two high-excursion best-in-class transducers, it offers excellent reproduction quality and extreme sound pressure. The cabinet is provided with power connections on front and back panels for easy deployment in cardioid configuration. Up to 16 GTS 29 modules can be ground-stacked or flown on a single fly-bar.

- Features**
- › 144 dB max SPL
  - › 2 x 19" neo woofers, 4" v.c.
  - › 3 side handles
  - › Designed to operate with XPS 16K amplifier (4 modules per amp unit)
  - › Durable and lightweight cabinet construction, polyurea coating
  - › Heavy duty, powder coated, custom perforated front grille
  - › 2 x 2 P-COM 8 pole bayonet connectors (Gold coated, CA-COM compatible, IP 68)

**Part Number** 13000820 GTS 29 Black EAN 8024530021245
