

# TTL 12-AS

## ACTIVE LINE ARRAY SUBWOOFER MODULE

### DESCRIPTION

The TTL12-AS is an extremely compact high power line array subwoofer designed to compliment the TTL31-A speaker system. The band pass design guarantees the maximum output per size while the 4" voice coil vented design woofer offers the minimum of power compression. The TTL31-A provides integrated mechanics compatible with the TTL31-A array module.

### FEATURES

- 1000 W switching amplifier
- Band pass design
- 12" high power neodymium woofer with 4" voice coil
- High quality analogue input board
- Phase, crossovers, bass shape controls
- Integrated mechanics
- Very high output

**TECHNICAL SPECIFICATIONS**

|                                  |                      |                            |
|----------------------------------|----------------------|----------------------------|
| <b>Acoustical specifications</b> | Frequency Response   | 40 Hz ÷ 120 Hz             |
| <b>Transducers</b>               | Woofers              | 1 x 12" neo, 4.0" v.c      |
| <b>Input/Output section</b>      | Input signal         | bal/unbal                  |
|                                  | Input connectors     | XLR                        |
|                                  | Output connectors    | XLR                        |
|                                  | Input sensitivity    | -2 dBu/+4 dBu              |
| <b>Processor section</b>         | Hi-Pass Frequencies  | 100 Hz                     |
|                                  | Low-Pass Frequencies | 80 Hz                      |
|                                  | Protections          | Thermal                    |
|                                  | Limiter              | Fast Limiter               |
|                                  | Controls             | 80/110 and crossover phase |
| <b>Power section</b>             | Total Power          | 8000 W Peak, 4000 W RMS    |
|                                  | Low frequencies      | 8000 W Peak, 4000 W RMS    |
|                                  | Cooling              | Convection                 |
|                                  | Connections          | Powercon IN/OUT            |
| <b>Standard compliance</b>       | Safety agency        | CE compliant               |
| <b>Physical specifications</b>   | Hardware             | Array side fittings        |
|                                  | Handles              | 2 on side                  |
|                                  | Pole mount/Cap       | Yes                        |
| <b>Size</b>                      | Height               | 390 mm / 15.35 inches      |
|                                  | Width                | 538 mm / 21.18 inches      |
|                                  | Depth                | 530 mm / 20.87 inches      |
|                                  | Weight               | 39 kg / 85.98 lbs          |
| <b>Shipping information</b>      | Package Height       | 540 mm / 21.26 inches      |
|                                  | Package Width        | 645 mm / 25.39 inches      |
|                                  | Package Depth        | 635 mm / 25 inches         |
|                                  | Package Weight       | 43.4 kg / 95.68 lbs        |
